It was only in Janry 1919 that the scheme was introduced in the Districts of Bangalore & Shimoga. To day is 11th April 1919. It cannot be said that the change introduced in January has been tried & found to work successfully and satisfactorily. The experiment must be tried for one full year and the popular opinion on its working ascertained before it is extended to other districts as now proposed. There has been some criticism about the scheme as now introduced. In fact some have said that the remedy is worse than the disease. People have to travel long distances & suffer much hardship in consequence owing to the absence of criminal courts at Taluk Hd Qrs. There need be no undue hurry as regards the introduction of a reform like this. For these reasons & in view of the financial situation as disclosed in the budget — it is a deficit budget — I am decidedly of opinion that the further extension of the scheme to the districts of Kolar and Tumkur may be held in abeyance for a year.

44 With due deference to the opinion of the Financial Secretary, I think the scheme laid down in the Rules has been working well. Cases are disposed of more quickly and expeditiously than before and the witnesses are not put back and inconvenienced as was frequently the case under the old system. The Rules frame the present system with a proper check. Cases do not drag on for want of funds which had to be provided whenever required and the Rules become guide to Collectors & subordinates. The fortune of litigants in cases under the old system was dec-

Final Note by the First Member of Council.

Subject:—

Introduction of the Scheme regarding the Separation of ~~the~~ Judicial and Executive Functions into the remaining Districts of the State.

53 The Scheme of separation of judicial and executive functions sanctioned in the order of the 10th May 1918 was introduced into the Districts of Bangalore and Shimoga with effect from 1st January 1919; and the further extension of the measure to other Districts during the coming year has been under consideration.

54 2. In view of the additional cost involved and the difficulty of securing suitable accommodation, it was proposed to extend the scheme to two more Districts, namely Kolar and Tumkur.

55 The Financial Secretary was of opinion that the Scheme had not been sufficiently tried, that the financial situation was not favourable, and that the extension of the scheme into Kolar & Tumkur might be held in abeyance for a year.

56 The Second Member was inclined, when the file was under circulation, to share the Financial Secretary's views. But the Third Member thought otherwise and was of opinion that the new scheme was working satisfactorily and cases disposed of more expeditiously and with greater relief to the Police as well as to ~~the~~ parties and witnesses.

57 The question was also discussed at the Representative Assembly in April last, and it was urged that the Scheme should be introduced into the Kadur District.

58 3. The scheme having been introduced into the Bangalore District in the first instance, it is but fair that the claims of the Mysore District for the benefit of the scheme should next be

14

considered. It is understood that the Revenue work is also very heavy in the Mysore District, and that the Revenue Officers find it difficult to give adequate attention to Criminal work.

59 4. The subject was considered in Council on the 13th May 1919, and the Members are of opinion that the scheme may be introduced with advantage into the districts of Mysore and Kadur from the 1st October 1919.

60 5. The recommendation of the Council may be graciously approved

15th June 1917.

Dear Sir,

I just read in the Daily Post that Government have been pleased to pass final orders about the judicial reforms in Kadur and Mysore Districts.

As for Kadur District, a Second class Magistrate's Court is located in Tarikere and the First class Magistrate's Court in Chickmagalur. Tarikere is far from Sringeri, Koppa, Balehonnur and other outlying parts. Narasimharajapur is more central and easily accessible from all places. It will be better to make Narasimharajapur, the Hd Quarters of the 2nd class Magistrate's Court.

I therefore request Your Honour kindly to kindly reconsider the matter favorably, in the interest of the majority of the people who, if the court is to be located in Tarikere, would be subjected to considerable hardship in going to Tarikere.

As You are busy, I do not like to trouble You with a personal visit. I am returning to this place.

Thanking You in anticipation

With best regards

Yours Sincerely,
Morris Travers

Sir,

I have the honor to submit for the consideration of Government Copy of a report No.29 dated the 30th July 1919 received from the Amildar Magistrate, Yelandur Taluk, bringing to notice the inconvenience likely to be caused to the public of Yelandur by the transfer of the Taluk Magistrate's Court to the Special Scond Class Magistrate's Court to be located at Nanjangud in pursuance of Government Order No.G.27798-805/Cts.157-18-2 dated 12th June 1918.

2. There is no doubt some force in what the Amildar Magistrate has stated in his report, and I am of opinion, that for reasons mentioned by him therein, the existing arrangement may, as a special case, be allowed to continue, the new Court at Nanjangud having jurisdiction only over the other three taluks of Nanjangud, Chamarajanagar and Gundalpet.

3. I solicit the favour of early orders in the matter.

I have the honor to be,

Enclosure No. /

Submitting a report of inconvenience likely to cause in Yelandur taluk by the transfer of the Taluk Magistrate's Court.

Letter No.29 dated 30th July 1919, from the Amildar Magistrate, Yelandur, to the District Magistrate, Mysore.

With reference to my humble representation as made to you in person on the 27th instant in the matter of the scheme for separating judicial, from executive functions being introduced into this taluk as per Government Order No.G.27807-Cts. 157-18-3 dated 12th June 1919, I beg to submit that the retention of the taluk Magistrate's Court in Yelandur instead of the same being transferred to the Special 2nd Class Magistrate's Court to be located at Nanjangud is entitled to special consideration on following grounds:-

ADMINISTRATIVE.

(i) The object of the new scheme being to afford relief to overworked executive officers and to thereby ensure a more speedy despatch of criminal work. I doubt if the Amildar Magistrate of Yelandur stands in any particular need of such relief in that he has got to administer a taluk which is as small in size as it is compact in shape, besides consisting of only 26 asali villages in all.

(ii) Yelandur is a Jaghir taluk with much of its immediate administrative control vested in the Jaghirdar. It is therefore a point for consideration whether by the impending transfer of the judicial charge of the Jaghir to a remote place like Nanjangud he will not feel handicapped in the efficient management of his estate as it will then be not possible for him" to keep himself informed of what is going on in his Jaghir as he is now permitted to do. Again Yelandur on account of its importance as Frontier Taluk and its situation in the midst of a crime ridden portion of the country with foreign criminal gangs frequenting it off and on seems to have every claim upon Government for a trying magistrate on the spot. Our border villages are so closely

closely knit with those of Kollegal, notorious for crime that people living on both sides of the border cannot but come in daily contact with one another. Once the moral influance and fear caused by the existence of a local magistracy are removed, the prospect of public tranquility in our frontier villages is anything but bright.

(iii) Nanjangud is about 30 to 40 miles distance from most of the Jaghir village with facilities for communication not being as good as might be wished on account of the sticky nature of the soil and the scarcity of good road materials. That parties and witnesses should undertake the long, tedious and expensive journey even for petty cases is extremely hard. The result might probably be that the lawabiding people may have to suffer in silence at the hands of the lawless ones.

FISCAL. As per standing orders of Government all criminal fines recovered from convicts for offences committed within the Jaghir area are to be credited to the Jaghir revenues, separate files are to be kept of Jaghir cases tried by other mgistratee and all charges incurred on account of prisoners confined in the Lock-ups for offences committed by them within the limits of the Jaghir are to be debited to Jaghir accounts. So needless complications and confussion of accounts will arise from territorial jurisdiction of jaghir courts being transferred to, and merged in, special courts as constituted at present, and the Jaghirdar will have few means left to safeguard his fiscal interests in the matter of privileges allowed or obligations imposed upon him.

PUBLIC OPINION. The local public are considerably agitated over the notified transfer of their criminal court to Nanjangud, as borne out by numerous representations made to me in the matter by leading raiyats, merchants and other people in the taluk.

Hence I beg that you may be pleased to consider the fairness and expediency of treating this as a special case and to recommend to Government that the existing Taluk Magistrate's Court at Yelandur

kindly left undisturbed in the interests of all concerned.

Adverting to para 1 of your letter No.G.3389/Cts.-157-18-8 dated the 9th instant asking me to obtain and forward the views of the Sringeri Jahaghirdar in the matter of divesting the Deputy Amildar of the Jahaghir of his magisterial powers and transferring the Criminal Jurisdiction over the Jaghir to the Special Magistrates, I have the honour to forward herewith copy of letter No.60 dated the 17th idem and that of its enclosures from the Agent, Sringeri Jahaghir, expressing the views of the Jaghirdar in the matter referred to above.

2. As regards the location of the Special Magistrate's Court referred to in para 2 of your letter under advertance, I have the honour to state that although Narasimharajapur is more central than Tarikere from a geographical point of view, Tarikere is preferable to Narasimharajapur for locating the Court for the reasons stated below:-

(1) There is no accommodation at Narasimharajapura at present for holding the Court whereas the same may be provided in Tarikere.

(2) The number of criminal cases reported from the Taluks of Kadur and Tarikere far exceeds that reported from Koppa and Narasimharajapur as may be seen from the statements hereto appended.

District Magistrate,

D.S.R.

Letter No.60/Mis. dated 17/18th August 1919 from the Agent, Sringeri Jahgir, to the District Magistrate, Kadur District.

I have the honour to acknowledge receipt of your memo No.J.C.594 of the 13th instant, forwarding an extract from the letter No.G.3389-Cts.157-18-8 dated the 9th idem, received by you from the Chief Secretary to the -- Government of H.H. the Maharaja of Mysore and to state that the contents thereof were duly placed before the Jahgirdar.

2. While the Jahgirdar was himself contemplating to lay before Government for their favourable consideration his views about the divestment of Criminal powers from the Deputy Amildar of Sringeri in common with the Amildars of other Taluks, ordered in Government Proceedings No.G.27798-805/Cts.157-18-2 dated 12th June 1919, he feels doubly glad that Government have called for his opinion and given him an opportunity to express his views, for which the Jahghirdar is very-much indebted to them.

3. The Jahgirdar is of opinion that in this -- connection it is necessary to bring to the notice of Government, in brief, the state of affairs that obtained in the Jahgir in the past and requests permission to do so.

4. It is learnt from the old records of the Matt that prior to 1835, the Jahgirdar used to carry on the revenue, civil and criminal administration of the Jahgir on the lines of the system then in vogue and independently of any outward control. When in 1835 or thereabouts, the law in Mysore was made to confirm with that on British India as regards Civil, Criminal and Police matters, the powers -- exercised by the Jahghirdar came up for consideration, when correspondence ~~gained~~ ensued, with the result that the then Chief Commissioner, satisfied with the claims of the -- Jahgirdar, based on valuable documents of old in his possession

possession, was of opinion that the officers appointed by the Jahgirdar may be invested with the powers of an Amildar of a Government Taluk in Police and Adalat matters and that like Amildars, they should submit monthly returns, etc, for the information of Government. In order to gauge the views of the Jahgirdar in the matter, the Superintendent of the Nagar Division, in pursuance of the above order of the Chief Commissioner, addressed the communications, No.656 dated 2nd July 1835, No.88 dated 4th February 1836 and No.50 dated 30th March 1842 to the Jahgirdar, copies whereof are enclosed herein for ready reference.

5. A perusal of the above records will make it clear that the Chief Commissioner recognised the powers of the Jahgirdar exercised as they were for a very long time and promised to delegate some of them to the officers of the Jahgir. But the Jahgirdar does not seem to have been satisfied with or consented to the above arrangement of investiture of the powers in part.

6. From that time till 1885-86 the Police, Criminal and other allied powers in the Jahgir seem to have been exercised through the Amildar of the Koppa Taluk.

7. In 1885-86 the Jahgirdar requested Government for the loan of the services of a Government Officer for duty in the Jahgir as Amildar and for investing him with criminal powers as per promise held out by the Chief Commissioner. The Government were pleased to comply with the request. Since then they have been empowering the officers appointed by the Jahgirdar with magisterial powers of the 3rd class and sometimes even with those of the 2nd class. I beg to invite the special notice of Government to the fact that when in 1907 a retired officer of Government was appointed for duty in the Jaghir and recommended for investiture with the powers of a 3rd class Magistrate, the Government were pleased to readily grant the Jahgirdar's request.

8. In consideration of the above facts, the -- Jahgirdar prays that although the Amildars of Government Taluks may

be

be divested of their magisterial functions and the same entrusted to Special Magistrates, his Deputy Amildar be permitted to continue to exercise the powers so long enjoyed by him on behalf of the Jahgirdar.

9. He further trusts that it will not be inconvenient to comply with his above request, if the following facts are taken into the favourable consideration of Government:-

(a) The area of the Jahgir is 44 square miles and its population nearly 10,000. On an average there may not be more than three or four cases every month, so that there will be not be any difficulty whatever in their speedy disposal.

(b) The Deputy Amildar is not the head of the Police in the Jahgir and as such, there will be no room for any objection being taken by anybody on the ground of failure of justice.

(c) The distance between Tarikere and Sringeri is 54 to 60 miles and in the continuance of the present arrangement the people will be saved the trouble and expense of going all the way to attend the Special Magistrate's Court.

(d) As regards the appointment of Bench Magistrates, experience shows that in this Sringeri Jahgir, situated as it is in the Malnad, there may not be found even a couple of men conversant with law and capable of meting out unbiassed justice. It may have come to the notice of Government in several ways that the people of Sringeri are of mischievous and troublesome propensities. The appointment of such men as Bench Magistrates may prove a source of greater trouble, ending in failure of justice.

(e) It may not be ~~known~~ unknown to Government that

even

75

even in British India where Stationary Magistrates have been -- appointed for almost all Talukś, exception is made in respect of a few minor talukś where Tasildars are allowed to exercise -- Magisterial powers in their respective jurisdiction.

10. It is hoped that in the above circumstances, Government will find that the continuance of the exercise of the magisterial powers by the Deputy Amildar of the Jahgir will not conflict with the practical effect of the present orders of Government.

11. In conclusion, it is earnestly requested that the lengthiness of the letter, caused as it is by the necessity for a detailed representation of facts to Government, may be kindly overlooked and orders obtained, graciously granting the prayer of the Jahgirdar conveyed in the above lines.

Camp no 18

157-18

Office of the District Magistrate,
Mysore District,
Dated Camp Chamarajnagar, the 24th August 1919.

From

P. F. Bowring, Esquire., J.P.,
District Magistrate, Mysore District.

To

C. S. Balasundaram Iyer, Esq., B.A.,
Chief Secretary to the Government of Mysore,
Bangalore.

Sir,

In continuation of my previous letter regarding the transfer of the criminal jurisdiction of the Yelandur Taluk to the Special Second class Magistrate's Court to be located at Nanjangud, I have the honor to forward herewith a petition dated the 23rd instant received by me from certain land-holders and merchants of the Yelandur Taluk, when camping at Yelandur yesterday.

2. The people of the place who came to me in a body are much opposed to the idea of having to take their cases either to Nanjangud or Chamrajnagar, and I think with reason. They do not desire a Bench Court of Magistrate either. I am sure they will be happier and more contented if the Amildar is allowed to retain his magisterial powers and made a second class Magistrate into the bargain.

3. While on this subject, I may state for the information of Government that I have made a thorough inspection of Chamrajnagar, and find that the only place to locate a second

class Court is by moving the Sub Registrar from his office to the Excise Range office in the same building and giving his room to the Court. The Range office can be removed to a rented building to be had for Rs per menth.

4. No orders have yet been passed about the Hunsur house that I suggested the Govermment might purchase owing to scarcity of accommodation there. There is really no other place for the Court, and Mr.K.R.Srinivasiengar can bear me out as he inspected the locality with me.

5. Accommodation for these new courts and Bench Courts as well is causing me some anxiety in all places where they are to be located, owing to lack of buildings.

I have the honor to be,

Sir,

Your most obedient servant,

District Magistrate
Mysore District.

Yelandur,

23-8-1919.

P.F. Bowring, Esq.,

District Magistrate,

Mysore District.

Respected Sir,

We the undermentioned landholders and merchants of the Yalandur taluk respectfully beg to approach you on this occasion of your visit to this place and to submit that as the result of the scheme introduced into the Mysore District for separating the Judicial, from executive, functions in pursuance of Government order No.G.27807-Cts 157-18-3 dated 12-6-1919 published in the Mysore Gazette of 19th June 19 we notice with deep concern the taluk of Yelandur also included in the group of taluks, territorial jurisdiction whereof is transferred to the Special 2nd class Magistrate's Court to be located at Nanjangud from 1st October next, and fervently pray that Yelandur taluk may not be brought under the operation of the new scheme for the following reasons:-

1. General.

(i) Government are pleased to introduce the separation scheme into four Districts of the State in response to the prayer repeatedly urged by some members of the Mysore Repre-sentative Assembly, where Yelandur is not represented by any member. So the extension of the scheme to our taluk is ap-parently ordered without any prayer at all on our part.

(ii) While Yelandur was deliberately excluded from the scheme as detailed in Government order No.J.4550-4600-Cts. 312-12-1, dated 10-5-1919, we are at a loss to know how it has now come to be suddenly brought under its purview under the recent Government order adverted to above..

(iii) It is understood that the revenue realised in Jaghir Criminal Courts is to be credited to the general receipts of the taluk and separate files maintained for Criminal cases

cases arising within the Jaghir limits even when the same are tried by Magistrates outside the Jaghir area. If so, it may be scarcely worth while to transfer the Yelandur Criminal Juris--diction to Special Courts as now constituted under the new scheme on account of the necessary bifurcation of criminal files as also of accounts of the Jahgir Courts and Lock-up.

2. Special.

(i) While we thankfully acknowledge that security of our life and property has all along been the first and foremost con--cern of our benign Government, we beg to submit that when de--prived of its local court, Yelandur which is proverbially poor can scarely afford to cover the distance, or to afford the time, or to incur the expenses, involved in having to go to Nanjan--gud even for petty criminal cases, the question of constitut--ing a Bench of Magistrates in the taluk being not feasible at present.

(ii) Yelandur being a frontier taluk with British Indian villages lying within a few yards and furlongs from ours with Koramars, known depredators, gamblers and other bad characters infesting the former, it always needs a trying Magistrate on the spot even if it were a Government taluk and much more so as it is a Jaghir. Otherwise public peace and personal security are most likely to be seriously endangered by offenders who live across our border getting emboldened to break the laws of the land.

(iii) Ours being the smallest and most compact taluk con--sisting of as few as 26 principal villages, the Amildar Magis-trate cannot really complain of heavy work as might perhaps be done by one of a Government taluk where the volume of revenue & other multifarious duties is decidedly greater than here. Nor have we ever had occasion to complain against the administration of criminal justice in the taluk being dilatory or inefficient.

(iv) We doubt if the Jaghirdar has been a consenting party to the new arrangement, and even if he is one, we beg leave to humbly submit that the innovation is least calculated to meet with the public approval.

Sir,

I have the honour to forward herewith for orders of Government a copy of letter dated 19th instant from the Honorary Secretary, Bababudan Planters' Association, Santaveri representing that the present practice of the Amildar Magistrate of Tarikere holding his Court once a month in Lingadahalli to try cases under the Breach of Contract Act has been very much appreciated and requesting that the same be continued even after the establishment of the Special Magistrates Courts. Owing to the large number of cases under the Act in this District, the Amildar Magistrates of Tarikere, Koppa and Mudigere Taluks ~~were~~ have been holding their Courts once a month for the speedy disposal of such cases, at Lingadahalli in Tarikere, Kollebyle in Koppa and Kalasa in Mudigere Taluks. The discontinuance of this practice is likely to be felt as a great hardship by the Planters. As even under the new scheme, the Amildars continue to be Magistrates, they may be directed to try Breach of Contract cases as heretofore in the several places

P.T.O.

87

For the foregoing reasons we venture to submit that it is as inexpedient as it is detrimental to public interests to transfer the local Magisterial court elsewhere and to pray that Yelandur may be left alone, at least for some time to come pending the decision of Government as to the result of the scheme tried in other taluks, and that the present Amildar may kindly be invested with 2nd class Magisterial powers as without it we are at present put to much inconvenience, worry and loss.

Hoping that you will graciously be pleased to submit our prayer to Government with your kind support in its favour and to oblige us with favourable orders,

We beg to remain,

Letter dated 19th August 1919 from the Honorary Secretary Bababudan Planters' Association, Santaveri P.O., to the Deputy Commissioner, Kadur District.

In connection with Government Order No.G.7962-69, 27-18-3 dated 1st November 1918 passing orders in regard to establishment of Magistrates' Courts in the Kadur District I beg to point out that it has been the custom for over 20-- years for the 2nd class Magistrate of Tarikere to hold his Court at Lingadahalli once a month forthe convenience of the planters and others situated near that village. This custom, needless to say, has been very much appreciated by all, and it is hoped that the above order will not mean the discontinuance of that custom.

The new Special Magistrate of Tarikere within whose jurisdiction both Lingadahalli and Sollebyle are situated will have enough of work at his Head Quarters and it does not seem desirable to give him any Circuit work, as much of his valuable time is likely to be taken away in performing the journeys to and from.
